### Policy

The Council of the College approves the examination set by the Canadian Association of Medical Radiation Technologists as the examination approved by the Council in the specialties of radiography, radiation therapy, nuclear medicine and magnetic resonance pursuant to Sections 4(1)2 and 4.1(1)2 of Ontario Regulation 866/93 as amended. An applicant will be given four attempts to successfully complete the examination.<sup>1</sup>

---

<sup>1</sup> The effective date of the amendment which replaced "three attempts" with "four attempts", was February 1, 2010.
